

### Qualifications

Dr. Leo Gómez is a retired professor in the field of Bilingual/ESL & DL Education and original author of the Gómez & Gómez Dual Language Enrichment (DLE) Model created in 1995. The *Dual Language Training Institute* is offering an online training titled: Creating and Using the Five (5) Language of the Day (LOD) Activities in the Gómez & Gómez Elementary DLE Model. This online training is applicable to All grade levels and only in schools or districts that are new or currently implementing the Gómez & Gómez Elementary DLE Model. *Critical for two-way classrooms!*

Over the last 29 years, his research has focused on linguistic and academic issues that affect language minority populations, particularly Spanish dominant DLLs. He has published several articles on DLE, describing the need for schools to implement *enrichment* models of bilingual education that not only more effectively educate bilingual learners, but all children. To this end, he has been extensively involved in the development, implementation and assessment of one-way & two-way dual language programs implementing a *Dual Language Enrichment Model* he originally developed in 1995. The consistent implementation of this model has proven effective in improving the long-term academic and linguistic achievement (based on standardized test in reading & mathematics) of Spanish and English dominant students.

Today, the Gómez & Gómez Elementary DLE Model is successfully implemented in over **673 elementary schools** and the Secondary DLE Model is successfully implemented in **22 middle schools and 6 high schools in 138 school districts across 11 states: Alaska, California, Colorado, Illinois, Kansas, New Mexico, New York, Oklahoma, Oregon, Texas and Washington.**

Dr. Leo Gómez has conducted countless professional development workshops on DLE program development and implementation and other topics in the field of bilingual/ESL education, as well as secured, administered and evaluated Title VII and Title III Bilingual/ESL grant programs.
